

Label the 50 states. It is our responsibility as American citizens to know our country – especially where things are located. Label the 50 states of America AND label Washington D.C. (our nation’s capital). **YOU WILL HAVE A U.S. MAP QUIZ.** On the back of this sheet is a practice form for you to use.

\*There are 48 *contiguous* states in America. Two states are separate. Using this knowledge, what do you think “contiguous” means?

# United States of America

Name the State!
