

China's People

Cause and Effect

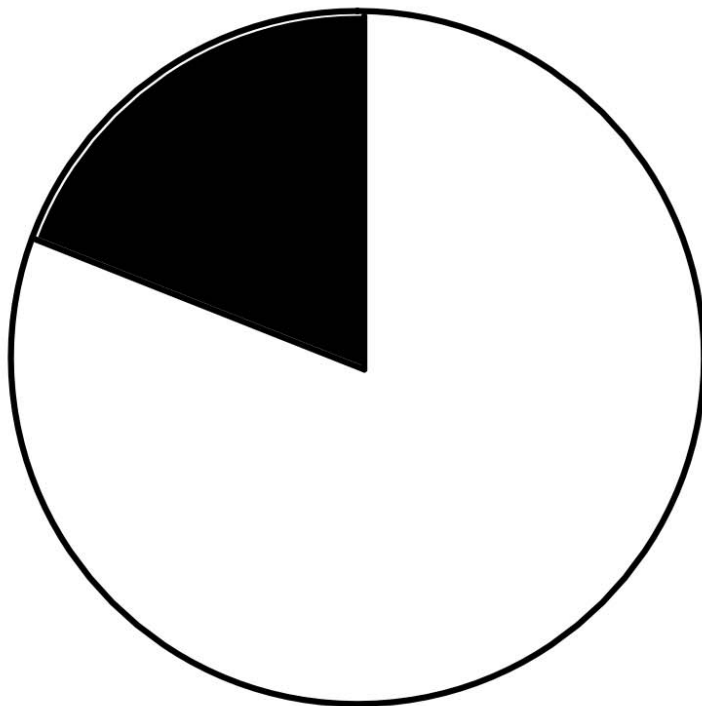

What's this?

What happened when China began to allow the "Free Enterprise System" to take hold?

What does "one country - two systems" mean?

Look at page 168 in (OWT) textbook. What can you *infer* about this pie chart and what it represents?

What comes to mind when you hear the word "Dynasty"?

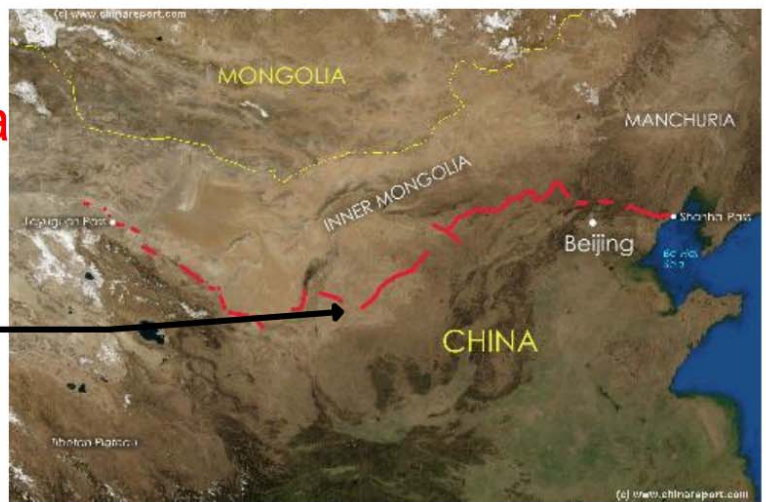

For thousands of years, China was ruled by a dynasty - a line of rulers from a single family.

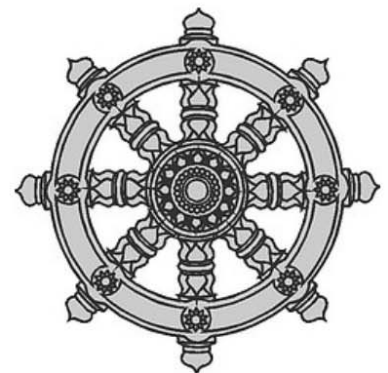

During this time, China....

Built the Great Wall of China

What does this tell us about China and its neighbors?

Developed three main religions...

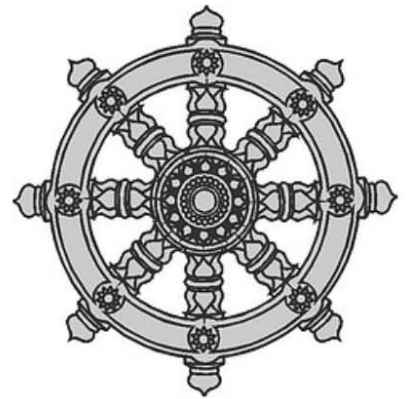

Daoism

China's Three "Religions"

Confucianism

Look at page 169
(OWT)
What do they all
have in common?

Buddhism

From dynasty to communism.... Mao Zedong

Reminder:

What is a brief description of communism?

Who is it supposed to benefit?

Communism is supposed to benefit the "proletariat."

What is the proletariat?

It is supposed to take away the advantage of the "bourgeoisie" What is the "bourgeoisie"?

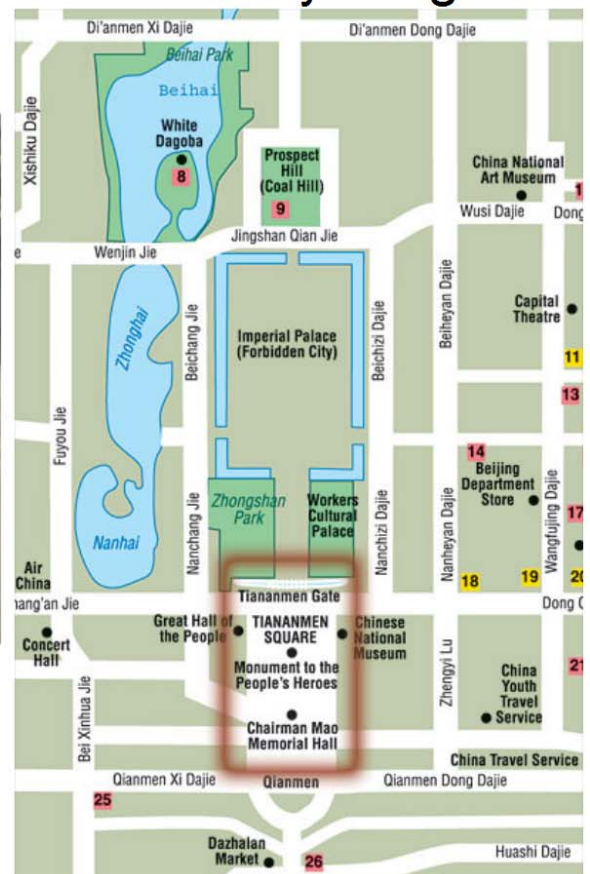

What problems can develop with communism?

A citizens fight for democracy...

Tiananmen Square - STUDENT protest against communism.

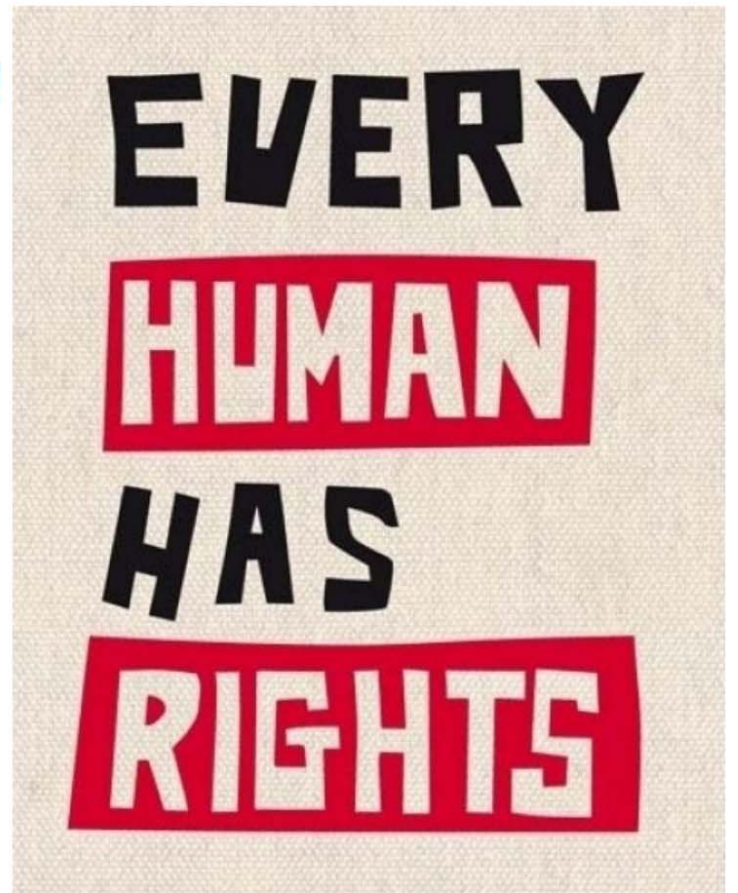

Result - Chinese government sent its own military to fight/ kill its own citizens.

The rest of the worlds reaction to Tiananmen Square...

No respect for Human Rights!

What are our human rights?

Chinese Today

Rural Citizens

Farming

Lack of technology

Pro communist (traditional)

Urban Citizens

City working

Develop new technology
(advanced)

Fight for government change

Check for Understanding

Comparing the role of American and Chinese citizens
