

Bell Ringer - Review

This civilization created the first empire, (a group of city-states under one ruler).

This civilization's greatest ruler was Hammurabi, who wrote Hammurabi's Code, (set of laws).

This civilization developed an alphabet that gave rise to the Hebrew, Greek, and Latin alphabets

This civilization is famous for cuneiform, words written into clay tablets.

Term used to describe a more advanced culture that has a system of writing and specialized workers.

Akkad

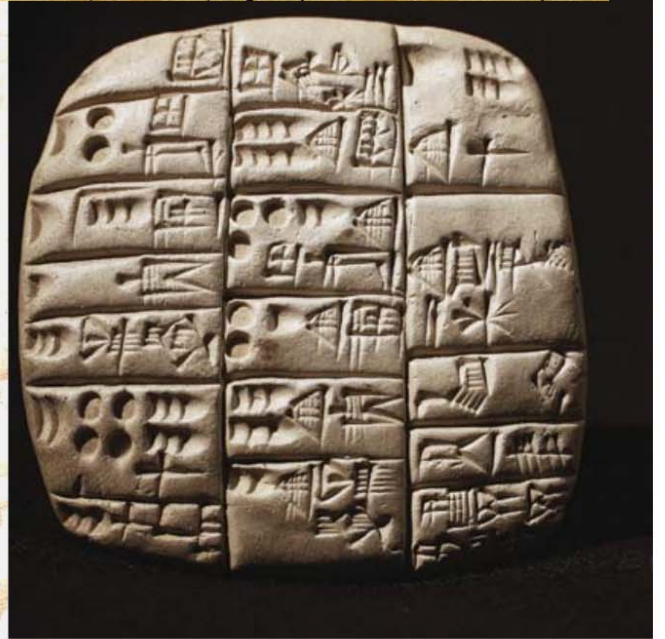

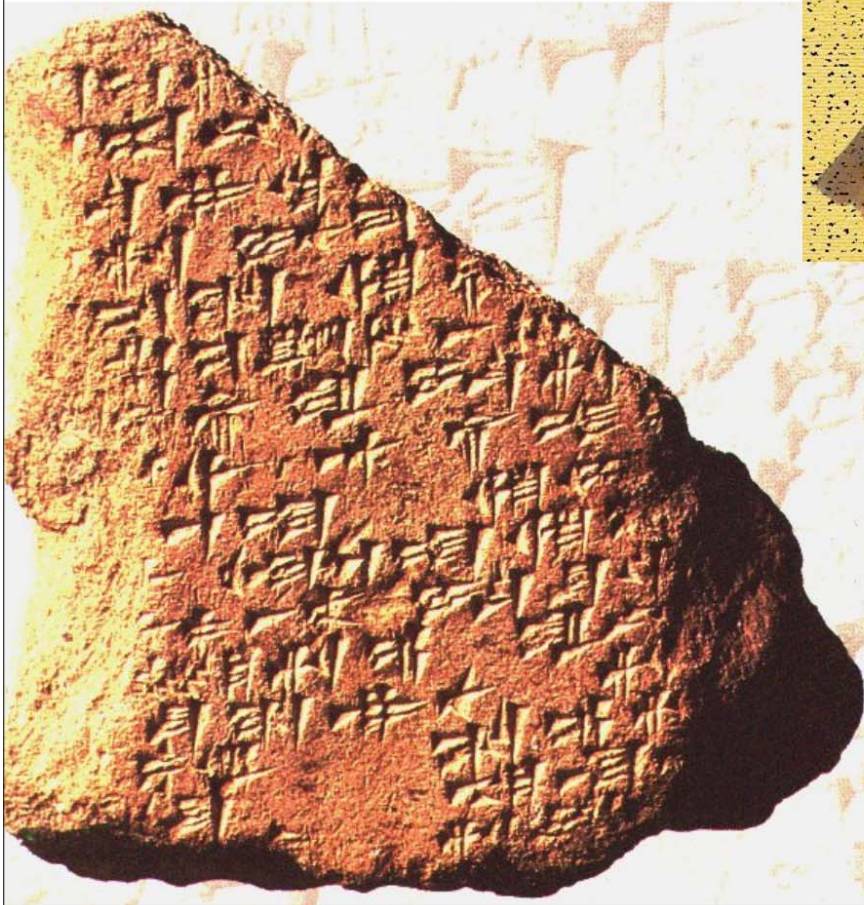

Sumer

Civilization

Phoenicians

Babylon

Today we are going to make our own cuneiform.

Cuneiform - Form of writing in moist clay tablets.

Look at the handout that shows you what each letter means.

Interpret the following...

Hand-drawn cuneiform symbols arranged in two rows. The top row contains five symbols, and the bottom row contains five symbols.
