

Europe

On the reverse side of this page, you will find a map of Europe. Label the following countries, mountains, and bodies of water on the map. Color code the countries/ bodies of water so that you are able to best tell the countries apart. DO NOT LOSE THIS MAP. You will need to constantly make reference to it throughout class.

NOTE: YOU WILL HAVE A EUROPE MAP QUIZ. Please take time to *daily* study this map to learn and remember where one or two countries are located – thus making it easier to remember countries. The quiz will NOT have every country of Europe on it.

Countries: United Kingdom Ireland Norway Sweden Finland
Denmark Netherlands Belgium Germany Austria
France Switzerland Portugal Spain Italy Greece
