

European Country Handout

You are going to be assigned a specific country or area of modern day Europe. Your goal will be to create a handout of your assigned area that would attract someone to visit this location. You will have *some* choice as to what you put into the brochure. Add your own personal touch and pizzazz to make the handout stand out and attractive.

Directions:

1. Fold a piece of 8 ½ X 11 piece of paper in half. **DO NOT NUMBER ANY PAGES.** The picture to the right is a guide for you to use. Your brochure will not have page numbers.

2. On the front, (page 1), you must include the following items:

- A) Country Name
- B) Picture of Flag
- C) Message that would attract people to come there
- D) A scene (related to your country) from your research

3. On the inside front page (page 2), include the following items:

- A) At least **THREE (3)** different advertisements for your country. This can be tourism places, unique features, products, culture, resources, or anything related to your country.
- B) Include a picture to go with each advertisement.

4. On the inside back (page 3), include the following items:

- A) Draw a map of your country that uses the whole page.
- B) Include at least two (2) of the following four areas on your map.
 - Capital City
 - Tourist Area
 - Resource Area
 - Historical Area

5. On the back, (page 4), you must include the following items:

A) At least **FIVE (5)** different research facts about your country from the following list.

- Resources
- History
- Dress
- People
- Culture
- Products
- Tourist Centers

B) One of the five research facts **MUST** answer the question(s) about your country on the back of this sheet.
