How important are immigrants to the United States?  
How many of you know where your relatives are from?

Look at page 522 - "One out of many". (Our World Today)

What ethnic group do you belong to?

What is the fastest growing ethnic group in America?

One concern with many Americans is that we should limit the number of immigrants who enter our country.

What are the benefits / disadvantages to this?

Many people who do not like immigration treat foreign individuals poor.

This has become a problem in the United States.

What Would You Do?

## Answer on the Board...

What are the advantages and disadvantages to allowing immigration in the country?
