

News Broadcasts

- You and two partners are going to briefly become news broadcasters doing a special report on India, China, or Japan.
- This is a three day activity. On day one, you and two partners are going to gather the information for the news broadcast. You are also going to decide who will be presenting certain parts of the broadcast. On day two, you will create a colorful map of your country to display for your broadcast and rehearse.
- You will present at the end of day two (time permitting) and on day three

Below is how you will be graded on your presentation. YOU DO NOT HAVE TO ANSWER EVERY QUESTION BELOW. THESE ARE IDEAS TO COVER.
