Indian Ocean

Great Indian Desert  
Pacific Ocean

Use the Thematical Maps on page 464 to answer the questions:

1. How many inches of rainfall does Indonesia receive each year? \_\_\_\_\_
2. In what general direction do most of the summer monsoons blow? \_\_\_\_\_
3. Why do the monsoons near the north eastern portion of India drastically turn inland? (You may want to refer to the physical map you created to answer this questions). \_\_\_\_\_

\_\_\_\_\_

Use the chart on page 450 to answer the following questions:

1. Which Asian country's population is nearest the United States? \_\_\_\_\_
2. What does the number of television sets per 1000 people tell you about each country?
3. Which country seems like it would be the healthiest place to live? \_\_\_\_\_

How do you know? \_\_\_\_\_

\_\_\_\_\_.

Use the Reference Atlas in the front of your book (RA 9 and RA 27) AND YOUR BRAIN to answer the following questions.

1. Find three (2) cities that are about on the same line of latitude in Asia and North America.

1.

2.

What might these cities have in common (either physically or politically) even though they are half way around the world from each other?
