

# Unit 3: Asia

Without looking in the book, can you name any of the countries in Asia?

Where in the world are we...?

Google Earth!

## Intro Asia Activity 1:

With a partner, use the thematic map and the graphs and charts to answer the questions on the back of your handout.

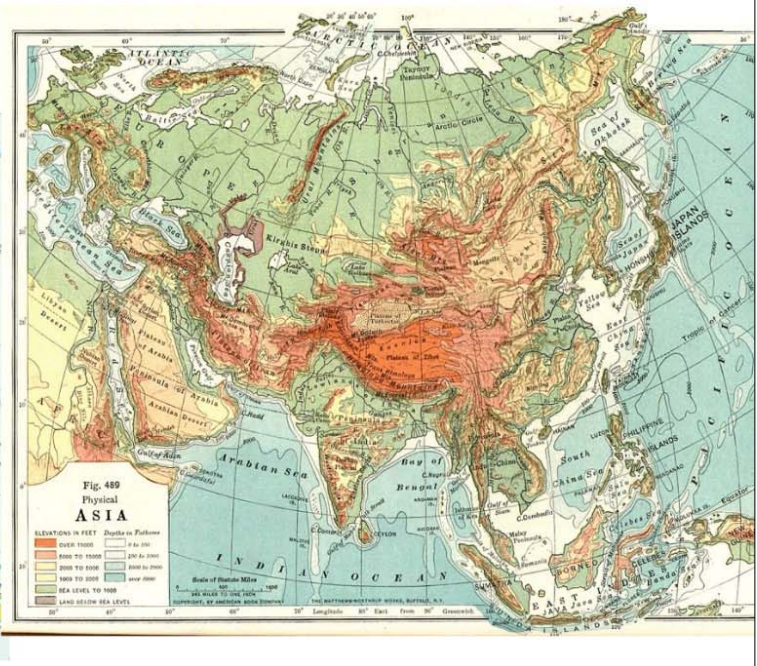

# Introduction to Asia: Map Activity

Using the handout I give you, create a political and physical map of Asia.

## General Purpose Maps
