

North and South Korea Continued.... Korean War

THE KOREAN WAR

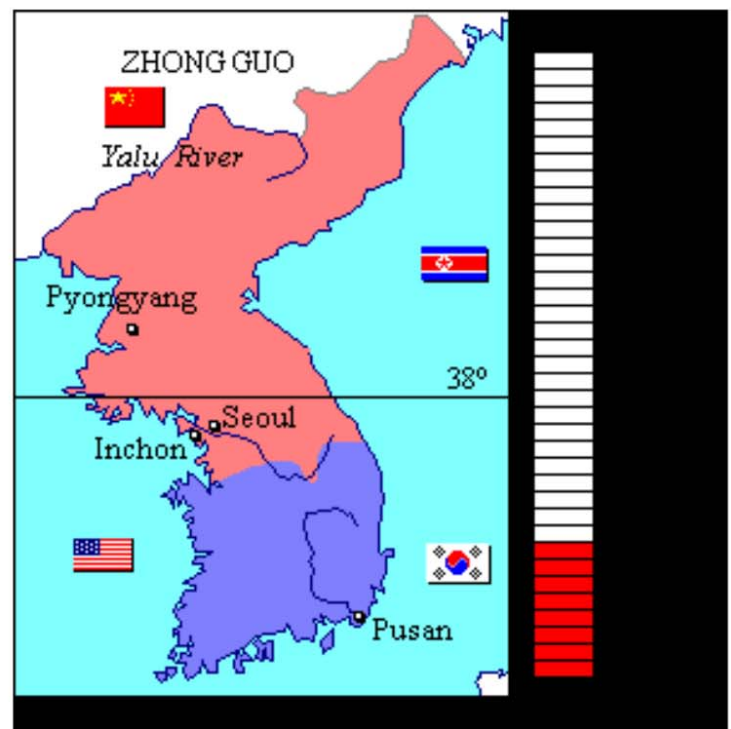

Nigel Thomas & Peter Abbott
Illustrated by Mike Chappell

Lets Review...

Who is involved?

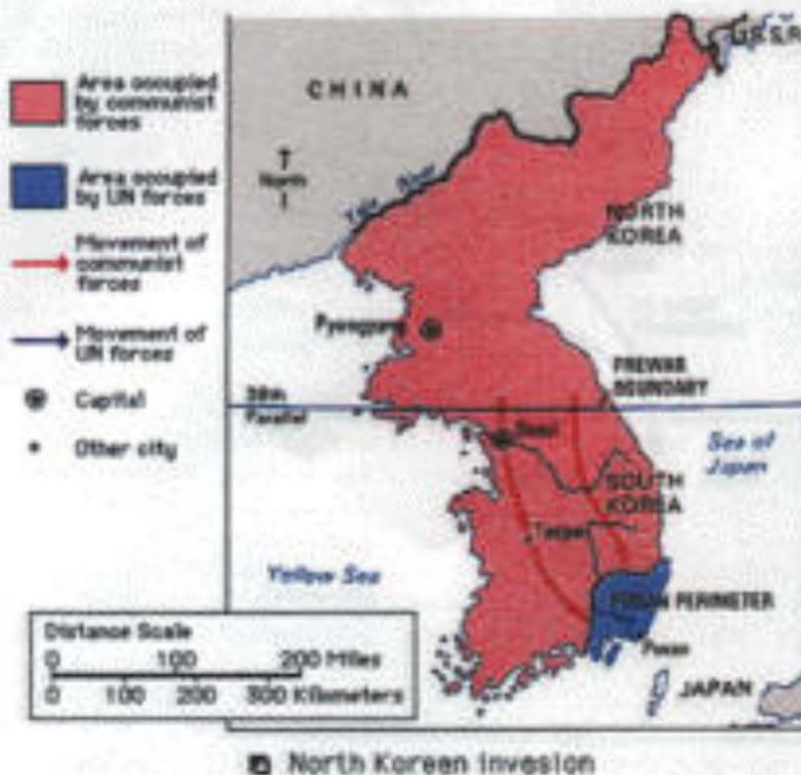

What has happened?

What are some key terms?

The beginning of the Korean War...

North Korea attacks South Korea and almost takes over the ENTIRE country

What happens next?

United States goes to the **United Nations** for help.

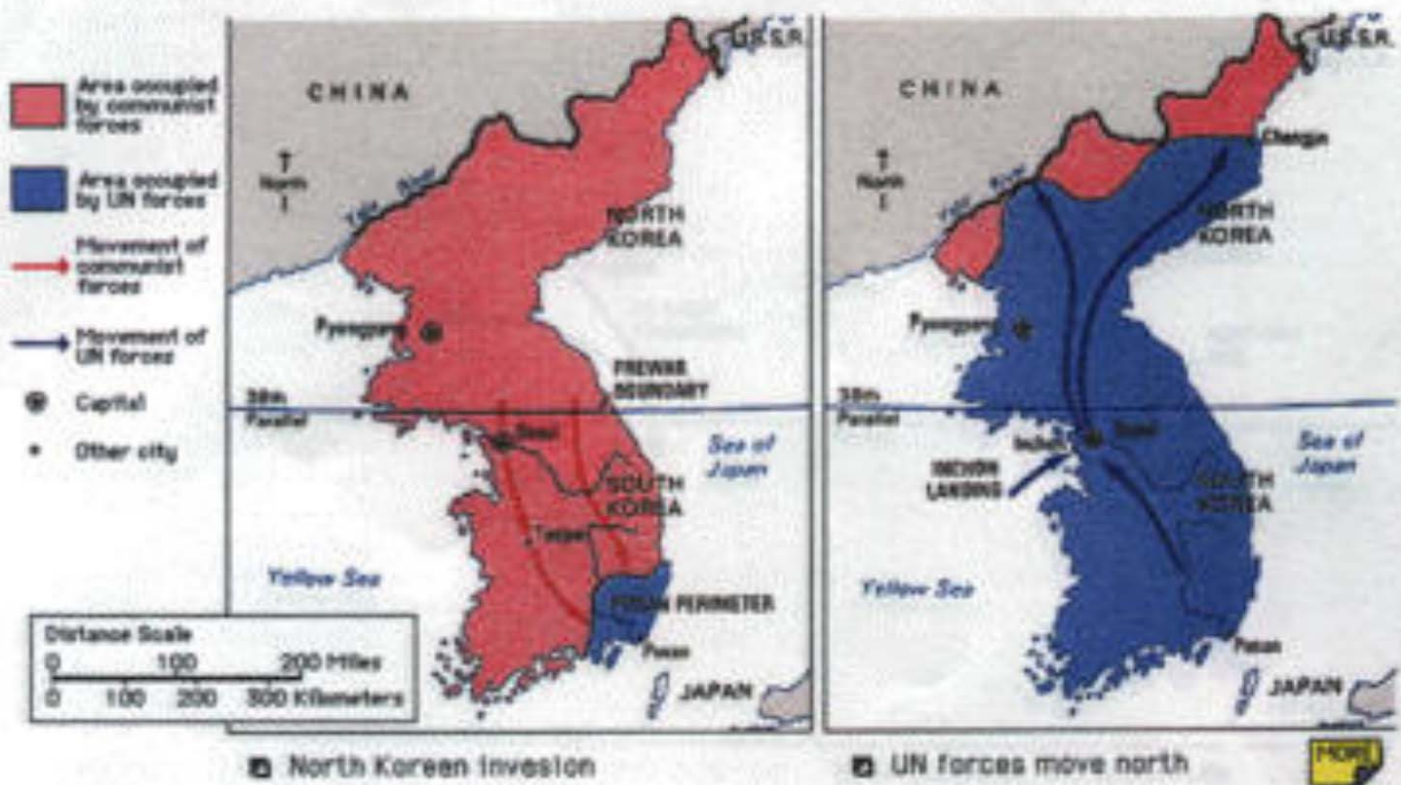

MODEL

UNITED NATIONS

United Nations led by American General Douglas MacArthur pushed the North Koreans almost to China.

Picture - Korean War

After the Chinese sent forces into North Korea,
the war ended right where it started.

**There was NO victory
and NO treaty.**

Today, North Korea and South Korea are making attempts to have peace. Although, they have a long way to go.

Both sides are heavily armed at the DMZ -
"Demilitarized Zone"

With a partner, complete the table chart on the
Koreas.
