

Why did the world transition from feudalism and other medieval times to the renaissance?

pg. 145

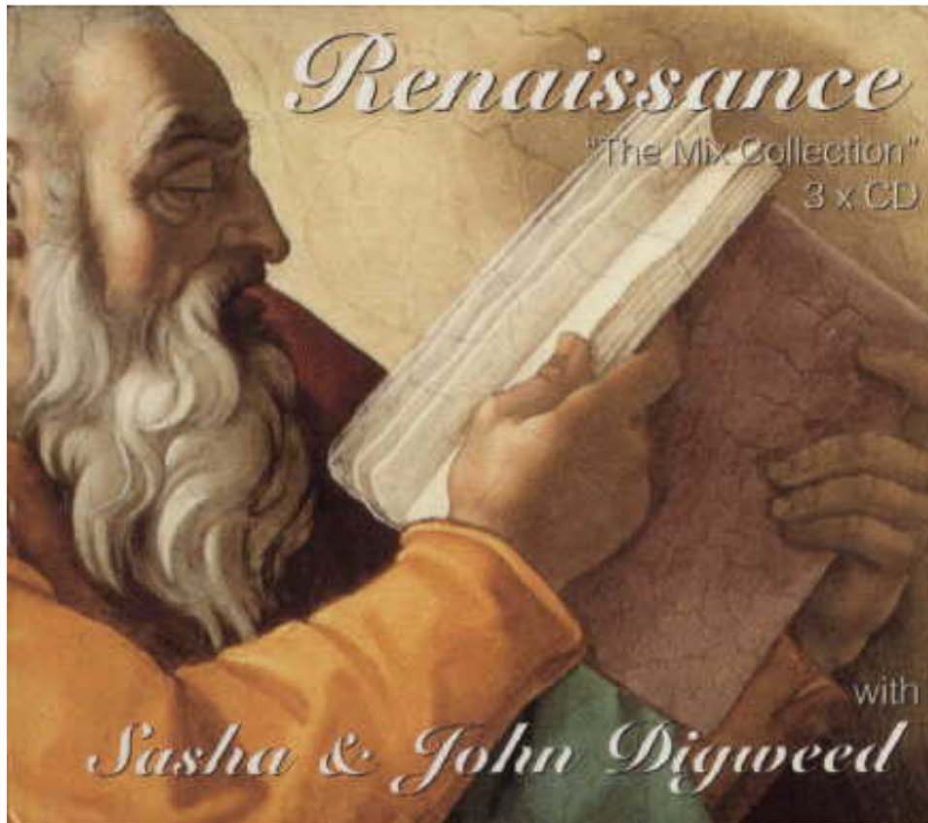

The Renaissance is considered the beginning of the "modern age".

## European Timeline

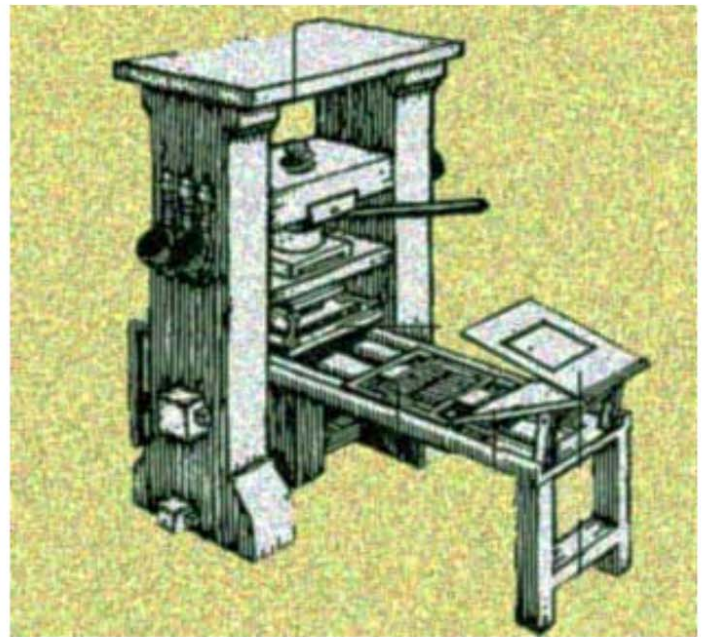

Renaissance - Time period in which interest grew in sciences, arts, and education as a whole.

Especially in cities and towns in Europe

This way of life sparked people's interest in developing things ...

Johannes Gutenberg  
First movable printing press

Why was this so important?

What did it do for society?

This encouraged people to READ and WRITE.

read & write

## Renaissance Books

**Curiosity** and **Enthusiasm** for life were important ideas that many people thought about during the renaissance.

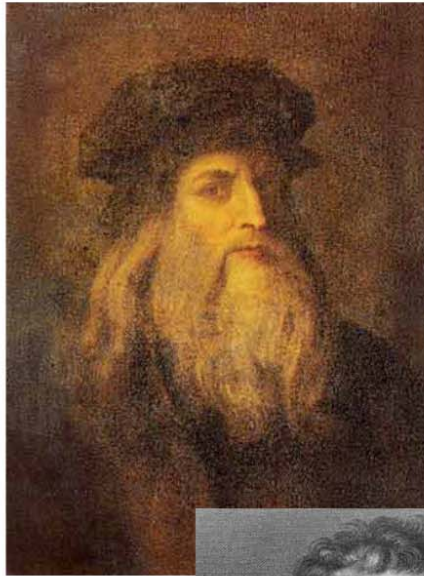

William Shakespeare and Miguel De Cervantes wrote plays and stories that reflect renaissance ideas.

How do we see these ideas?

Renaissance Art

Leonardo Da Vinci

Michelangelo Buonarroti

## Wall Art Walk

If you look around the room, you will see several pieces of art.

Walk around the room to each piece and be prepared to answer this question... how do these pieces reflect the Renaissance?

(curiosity and enthusiasm for life)

## Create your own Renaissance Art
