

## WWII

1. Before World War II, the people of Germany had two main problems.
  - a.
  - b.
2. Germany needed a \_\_\_\_\_ who would promise them the "return to the rise" of their country.
3. Germany eventually became a dictatorship under whom?
4. Hitler led the National Socialist German Worker's Party. This party was called "The \_\_\_\_\_ Party."
5. Hitler and Germany joined the Axis Powers to fight against the Allies.

6. The Allies needed to fight the war in two places...
  - a.
  - b.
7. The Allies concentrated on **Europe** first...  
Goal - Make Hitler fight a **two front** war. What does that mean?
8. The Allies concentrated on the **Pacific** second... Think back to our unit on Japan... what happened that caused the Japanese to surrender - ultimately ending World War II?
