

Mr. Cerully

Name: \_\_\_\_\_

World Geography

Period: \_\_\_\_\_

## Create Your Own Map

**Part 1.** Congratulations! You have been hired as the latest cartographer, (someone who makes maps), in the Altoona Area School District. Your task is to use the back of this sheet to create two different maps; a **general purpose** map, (political or physical map), and a **special purpose** map of the state of Pennsylvania.

Be sure to choose only one of the general purpose maps, a political or physical map. Do not choose both.

Be sure to include a special purpose map. You may select any category for the “special purpose” that you would like to use.

Be sure to make and include:

- 1) Scale
- 2) Compass *showing the cardinal directions*
- 3) Key
- 4) Longitude/ latitude lines (Be sure to label *at least* one parallel and one meridian)
- 5) Title

**Part 2.** At the bottom of the back of this page, write a paragraph explaining at least two similarities and two differences between a general purpose map and a special purpose map.

Grading:

Map Detail (including all correctly labeled parts) .....	12
Paragraph explanation .....	5
Creativity .....	3
