

How Can Africa be Helped? (pg. 430)

1. How do so many people in Africa become refugees?
2. Why does Africa experience so much genocide?
3. Where do many experts trace Africa's refugee problems today? (Name at least two different factors).
4. Answer questions 1 and 2 on page 431.
5. Come up with a plan to help the refugees and their host countries be able to survive.

Band Aid for Africa (pg. 432)

1. How are rock stars and pop singers able to raise awareness of Africa's refugee and famine problems?
2. How might young volunteers in your hometown help Africa's refugees in their struggle against poverty and disease?
